Authors Frans Vischer, Diana Johnson and Jennie Nash, orthopaedic surgeon Dr. Mauricio Silva, LCF Orthopaedic Guild President Margot Siess and and Benefit Chair Joan Cleven were among those at the annual Book & Author Luncheon.

The La Cañada Flintridge Orthopaedic Guild celebrated 54 years of caring with the recent Book & Author Luncheon at the Angeles National Golf Club. The well-attended event included Dr. Mauricio Silva, the associate med-

ical director at Los Angeles Orthopaedic Hospital who specializes in pediatric orthopaedic trauma.

Authors Frans Vischer (with her book, "Fuddles"), Diana Johnson ("Wagons to Hangtown") and Jennie Nash ("The Threadbare Heart") had

the opportunity to share their books as well as their own stories.

Luncheon guests also bid on silent auction items and participated in a raffle. This is Los Angeles Orthopaedic Hospital's 100th year of orthopaedic care service.
